

1st High Halden Brownies – 2025 Report to the Annual Parish Meeting

High Halden Brownies have been meeting in our village for 75 years!!

Girls have been making new friends, enjoying working together and learning new skills that will help them in their future.

At present we have a small but keen group from different schools including 3 girls who have been with us as Brownies but are now working towards the Duke of Edinburgh Award which they hope to complete very soon.

We have three Leaders, including two who run other Brownie Units on different evenings.

We give young girls the confidence to try new ideas and skills which is so important in this changing world and we all take pride in what can be achieved. This was certainly the case with me and David who have lasting memories of Lord and Lady Baden-Powell's movement for young people.

With our growing village welcoming new families, I would be very happy to hear from anyone who may be interested in joining our Unit. We meet in this hall on Mondays during term time from 4pm to 6pm.

Marianne Ball

(Brown Owl)
